

THANK YOU FOR YOUR INTEREST IN KIDDIE KAMPUS!

Kiddie Kampus is here to help your child learn and grow and transition to kindergarten with the utmost confidence in his or her abilities.

How will your child become more confident in his or her time at Kiddie Kampus? Your child will...

- *engage socially in a safe, inclusive setting.*
- *build healthy relationships with teachers who sincerely care.*
- *experience God's love and how we are made in His image.*
- *gain academic skills that seamlessly transfer to his or her kindergarten classroom.*
- *develop emotional awareness and maturity, enabling deeper future learning experiences.*
- *feel great about being a part of Kiddie Kampus preschool!*
